CENTRE OF RUNNING

# RUNNING MALL

CENTRE OF RUNNING

In 2013, RunCzech proudly opened the doors to a new running center. The Running Mall serves as the center for the RunCzech organizing team, the PIM Running Club, and the **entire running community.**

**In the May of 2013, The President of the New York City Marathon- Mary Wittenberg, along with IAAF Delegates visited Prague 7 to celebrate the official opening of the Running Mall.**

**The Running Mall is conveniently located between 2 of the most popular running parks in Prague, Letna & Stromovka, minutes from the center of the city.**

## Sport Lounge

### Break a sweat in the Sport Lounge

Our indoor training facility boasts top of the line strength and cardio machines, functional workout equipment, group exercise area, and table games for when you need a break.

## Water Bar

### Refresh at the Water Bar

The unique Water Bar serves fresh & healthy food and refreshments, so runners can refuel and relax after a hard run or meet their friends for a coffee to discuss their training plans.

# RUNCZECH RACING

Runners from around the world all have a home at the Running Mall, where they train to compete in the world's most prestigious races, while being immersed in the running community of the Czech Republic.

## **RunCzech Racing is a Czech initiative with a global reach.**

Inspired by the legacy of Czech long distance running legend Emil Zátopek, our team of renowned athletes from around the world share and spread the idea of mutual cooperation and companionship among nationalities, as well as the beauty of long distance running.
